

Parent Survey

Please Take this survey and return it to me. It gives me an idea of where your student is at for the beginning of this academic school year!

1. What are your child's major interests?
2. What are your child's strongest academic subjects?
3. What are you child's weakest academic subjects?
4. Which reading skill(s) would you like to see strengthened?
5. Which math skill(s) would you like to see strengthened?

6. Which writing skill(s) would you like to see strengthened?

7. Which study skill(s) would you like to see strengthened?

8. What should be your child's three main academic goals for the first nine weeks?

9. Would your child rather watch television or play outside?

10. Does your child prefer listening to music or reading a book?

11. If your child could choose the subjects he studied in school, what would he choose?

12. Which would your child prefer to do: write a story, read a story, or act out a story?

13. Would your child rather make a craft after hearing the directions, reading the directions, or watching someone

make a sample?

14. Do you read to your child? If so, how often?

15. If you do read to your child, is it done on a school night, during the week, or both?
